Annual Operating Budget (2026 – 2027)

Women Action Group (WAG) operates with a modest but effective annual budget to implement its grassroots development programs across tribal and rural communities.

For the current financial year, the organization's **estimated annual operating budget is approximately INR 80,00,000 – INR 1,50,00,000**, depending on project funding and program scale.

This budget supports key program areas including:

- Women empowerment, elderly care and livelihood initiatives (50%)
- Education support for children (30%)
- Health and hygiene awareness programs (10%)
- Environmental and community development activities (10%)

It also covers essential operational costs such as staff honorarium, field coordination, training programs, monitoring, and administrative expenses.

WAG follows a **cost-effective and community-driven approach**, ensuring that a significant portion of funds is directly utilized for beneficiary support and program implementation.
